

Tinker Taylor's Jewellery Workshop - Hand Crafted Treasures

Join us at Crafty Camping 2026 for a unique jewellery making experience designed for adults, young teens (ages 12+), and children. Choose from three engaging sessions:

- **Silver Ring Making (2 hours):**
Discover traditional silversmithing techniques as you design, shape, and finish your own bespoke silver ring. Guided by expert makers, you'll enjoy a memorable hands-on experience and take home a beautiful, handcrafted ring.
- **Copper & Brass Earring Making (2 hours):**
Explore a variety of jewellery techniques—including piercing, texturing, and finishing—while creating your own personalised earrings in copper and brass. Express your individual style and creativity in this inspiring session.
- **Kids' Jewellery Experience (1 hour):**
Specially designed for younger children, this fun and accessible session introduces simple and effective jewellery-making processes. Children will create their own copper pendant using safe, easy techniques, fostering creativity and confidence. The session costs £20 per child.

Workshops run several times daily, offering flexibility for your festival schedule.

- **Adult/Teen sessions:** £45 per person, plus a material fee for silver. Copper and brass are included at no extra cost.
- **Kids' session:** £20 per child, all materials included.
Leave with a unique piece of jewellery and a sense of achievement.
